## School News

We are so excited to be having everyone back in school on Monday 8th March. All parents and carers should have received the handbook through parent mail, with all the essential information. It is important to note that we will be doing staggered start times, so please make a note of the **start** and **finish** times for your child/children.

### START TIMES

8.30	Year 6 and Year 2
8.40	Year 5 and Year 1
8.50	Year 4
9.00	Year 3 and Reception

### FINISH TIMES

2.55	Year 6 and Year 2
3.05	Year 1, Years 4 & 5
3.15	Year 3, Reception

I can see from our Google Classrooms that all of you have been busy sharing stories, making potato book characters, videoing your reading - all for World Book Day. When you return next week we will give you your book tokens, so you can purchase a book when the shops reopen. Don't forget to bring your school reading books back on Monday so we can ensure you get some new books to read at home. There is new research that says putting subtitles on while you watch the TV, really supports children's reading. So, Parents and carers why don't you give that a go at home and we will do the same in school.
